## **2. Always have amazing hair and make up**

I don't really go for sharing make up or going to the expense to buy individual kits so the crown will have to do

## **3. Attend delicious parties**

We will have a tea party for our snack with some finger foods

## **4. Dance**

Dance Party! The kids at the preschool where I work love Dizzy and Party in the USA (because there are easy motion)

Then the next story time I would make a shield do a book on how to be a knight.

1. The Brave Knight
2. Pete the Cat Sir Pete the Brave
3. The little knight who battles monsters
4. Knight training a very bothersome bear
