

Recycled Cup Turtle

Supplies

9 oz. clear cups OR bottom of plastic soda/water bottles

6x9 inch Foam Sheet (green/brown/any color)

Googly Eyes

Markers or Paint

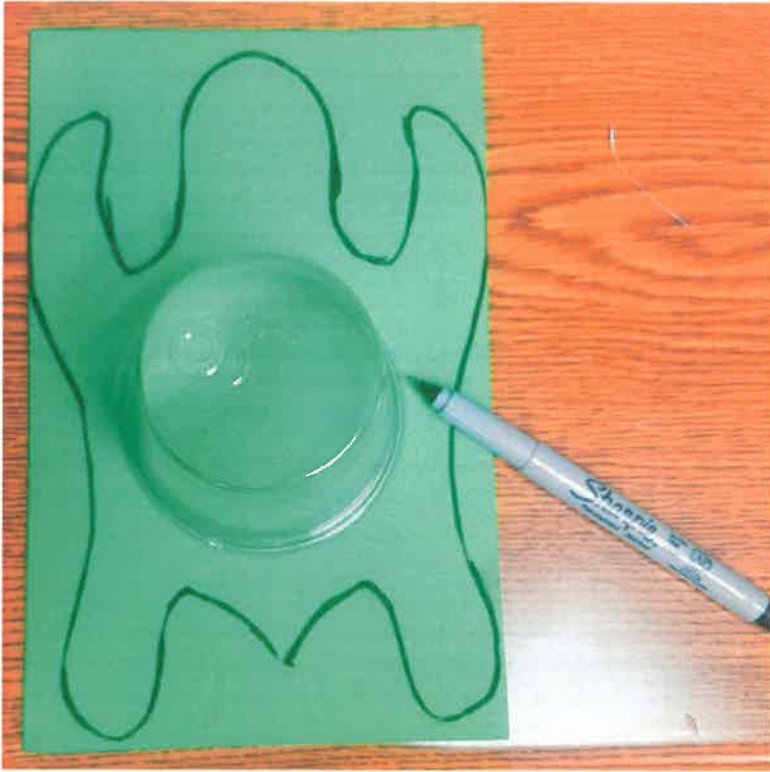

Beads/Sequins/Pom-Poms/Glitter/small craft items

Bowls & Spoons (to hold the small craft items)

Hot Glue or Tacky Glue

Scissors

Directions

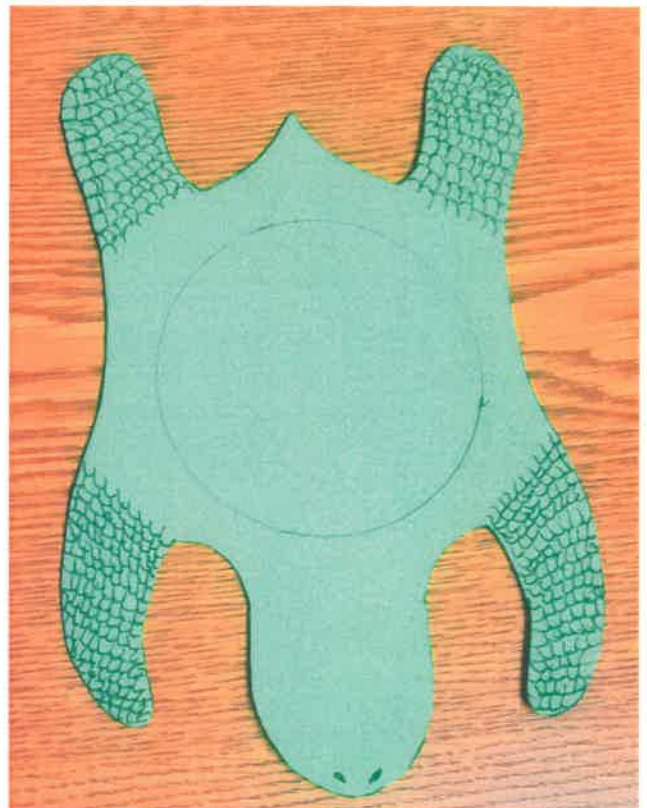

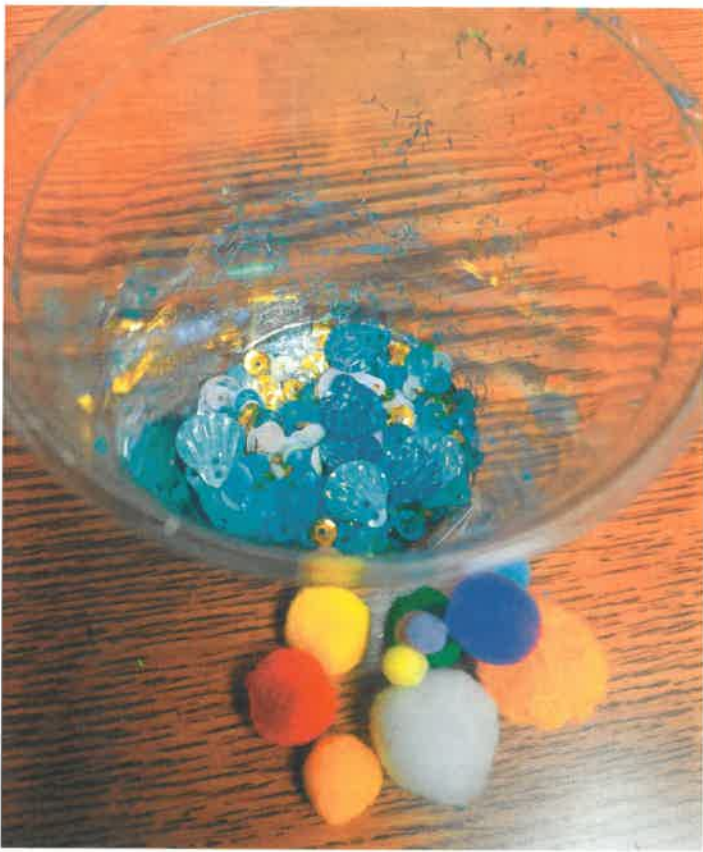

- 1) Cut out the template for the turtle (last page)
- 2) Cut 6x9 inch rectangle on foam sheets
- 3) Trace the turtle onto the foam sheets
- 4) Trace the center circle from the cup

5) OPTIONAL: You cut out the turtles OR the children/teens can cut out the turtles

6) Decorate your turtle and cup with markers or paint. Markers worked best on the foam sheet.

7) Glue the googly eyes or draw eyes on your turtle

8) Fill up your cup with the small craft items

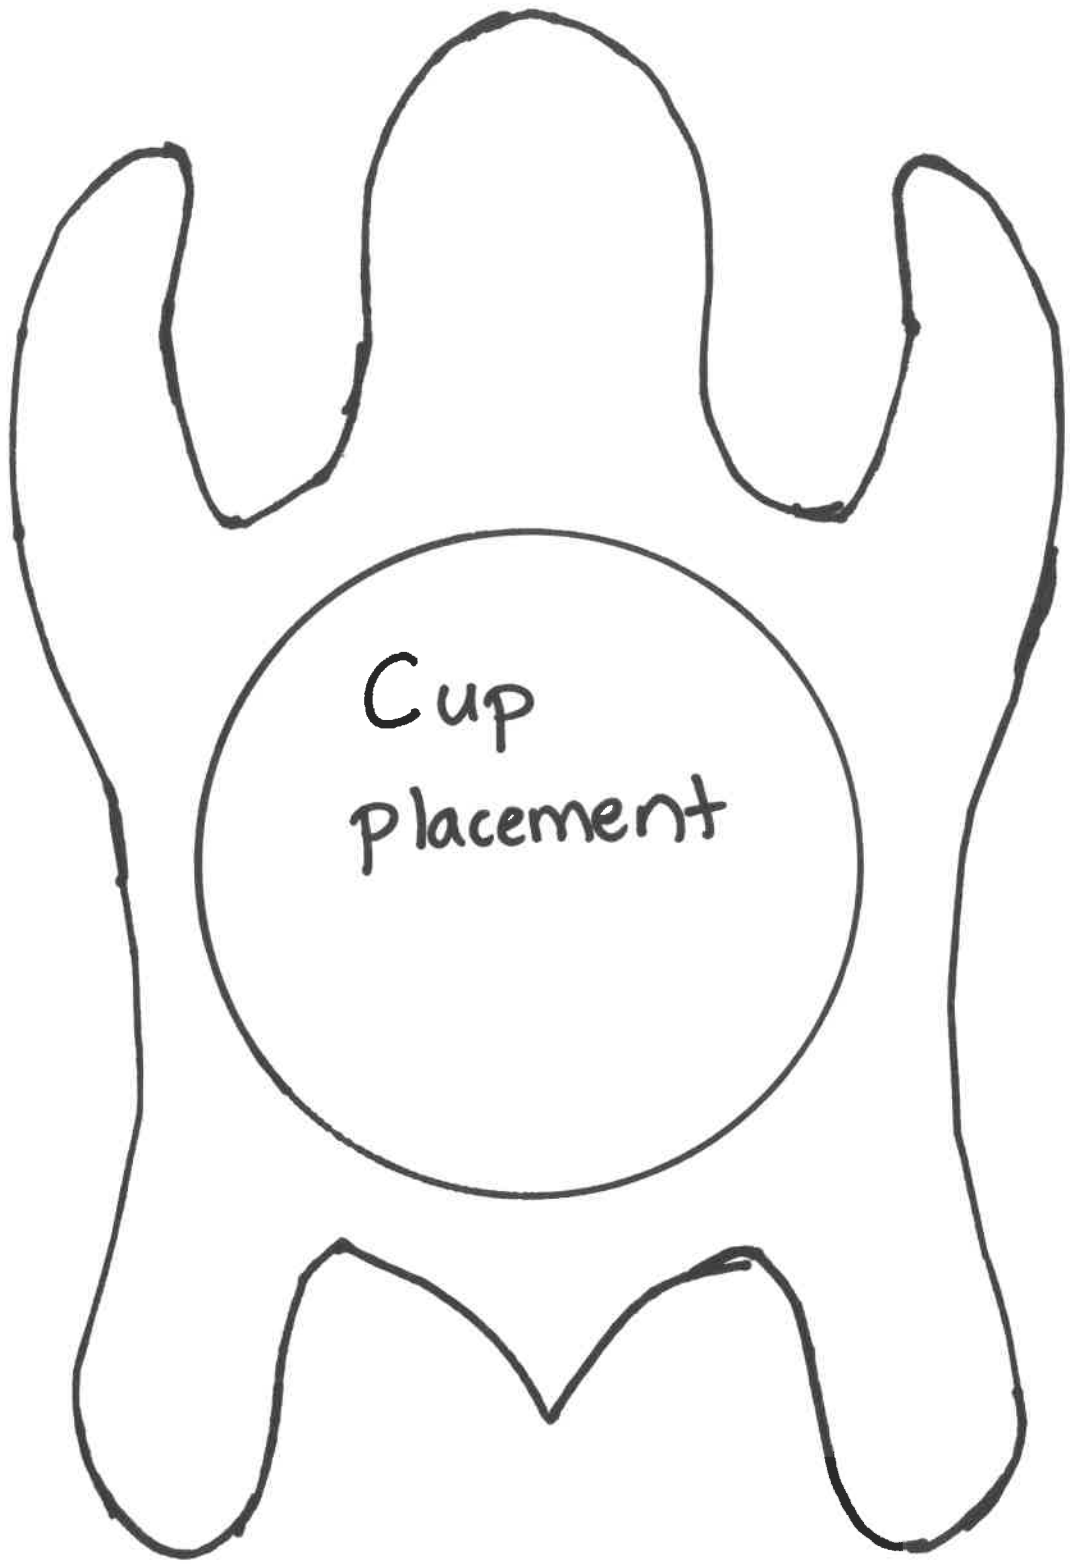

*Use bowls to hold the craft items. Spoons can be used to put the items inside the cup.

9) Hot glue or Tacky glue the cup onto the foam sheet.

**I put hot glue on the rim of the cup and then placed the turtle on top

HELPFUL HINT: If using glitter, make sure to reglue the outside rim of the cup to keep the glitter from leaking everywhere.
