## Sing

### If You're Going to the Moon

*Tune of "If You're Happy and You Know It."*

If you're going to the moon, wear your boots (*stomp stomp*)

If you're going to the moon, wear your boots

If you're going to the moon, this is what you have to do,

If you're going to the moon, wear your boots.

...wear your gloves (*clap your hands*)

...wear your helmet (*point to your head*)

## Write

### Rocket Name Craft

Simple shapes (post-its?) and star stickers are all you need. Kids practice writing their name. If younger kids need a little extra help have an adult lightly outline the letters in pencil and have the kids trace in marker.

## Play

### Space Themed Sensory Bin

Make a space themed sensory bin like this one I found on House of Brown Blog using fish tank gravel and a space Toob set. Little hands will love it.

## Talk

### "Spaceship Spaceship" Flannel Activity

This variation of "Little Mouse, Little Mouse" I found on Lady Librarian's Literacy, Lifestyle, and Lookbook Log swaps out houses for moons and mice for spaceships. I made a spaceship, alien and astronaut for more variety.

Spaceship, spaceship,  
we'll find you soon!  
Are you behind  
the (*color*) Moon?
