Wiggle Worm Instruction:

Hold the stack of cards up for the children to see while seated, pull one card away at a time and ask the children to name the now visible card ("this is a...*dragon!* And now a...*unicorn!* And a...*castle!*" etc.). When you reveal a worm card, shout "Wiggle Worm!!" and everyone jumps to their feet, wiggles in place and then back down to their seat. Go through a stack of cards and always end the game with a wiggle worm.

Each card is half a letter-size paper and contains an image relating to the theme. Print each image card at least twice, randomly mixing wiggle worms in the stack. Print on card stock if possible so the cards are less see-through.

Little Dragon

Little dragon counts to three,
Little dragon bends one knee.
Little dragon touches his toes,
Little dragon touches his nose.
Little dragon makes a funny face,
Little dragon runs in place.
Little dragon lays on the floor,
Little dragon starts to snore.

Five Knights in Shining Armor

Five knights in shining armor,
Fearless and brave,
Went dragon hunting deep in a cave.
The dragon started breathing fire,
The knights' knees were all aquiver,
So one little knight ran off to the river!
Four knights in shining armor,
Fearless and brave,
Went dragon hunting deep in a cave.
The dragon started breathing fire,
The knights' knees were all aquiver,
So one little knight ran off to the river!

Five Little Knights

Five little knights, fearless and brave,
Went dragon hunting deep in a cave!
They heard a loud ROAR
Shaking the cave's floor!
So one little knight ran away!
Four little knights, fearless and brave,
Went dragon hunting deep in a cave!
They heard a loud ROAR
Shaking the cave's floor!
So one little knight ran away!
Three little knights. . .
Two little knights. . .
One little knight . . .
