

This is Not My Hat-Puppet Show

Adapted from the book *This is Not My Hat* By Jon Klassen

Small fish #1: This hat is not mine. I just stole it.

I stole it from a big fish. He was asleep when I did it.

Big fish #2: And he probably won't wake up for a long time.

And even if he does wake up, he probably won't notice that it's gone.

Switch to #3

Big fish #3: And even if he does notice that it's gone, he probably won't know it was me who took it.

And even if he does guess it was me, he won't know where I am going.

Switch to #1

Small fish #1: But I will tell you where I am going. I am going where the plants grow big and tall and close together.

It is very hard to see in there. Nobody will ever find me.

Switch to #4

Crab #4: There is someone who saw me already.

But he said he wouldn't tell anyone which way I went.

Switch to #3, #4 and 5 (Crab holds up sign for big fish while small fish narrates.)

Small fish #1: So I am not worried about that.
